Dear Property Owner/ Resident:

During the next few weeks, Griffith Company, the City of Glendale's construction contractor, will be conducting construction activities on the north side of Fairmont Avenue, between Concord Street and the freeway ramps, fronting the below properties:

755 Fairmont Avenue, 761 Fairmont Avenue, 767 Fairmont Avenue, 771 Fairmont Avenue, 773 Fairmont Avenue, 779 Fairmont Avenue, and 805 Fairmont Avenue.

Limits of Work/ Nature of Work:

The improvements will start from the west end of the driveway apron fronting the property at 755 Fairmont Avenue and will extend to the west to include the improvements fronting the property at 805 Fairmont Avenue. Improvements will also take place at the intersection of Fairmont Avenue and Faircourt Lane. The work will include removal and reconstruction of broken and substandard curb and gutter, sidewalk, and driveway aprons on the north side of Fairmont Avenue along the above-mentioned properties. Handicap/ access ramps will also be introduced at the intersection of Fairmont Avenue and Faircourt Lane.

Construction Start Date:

An additional notice will be provided to the property owners/ residents fronting the proposed improvements on Fairmont Avenue. Temporary "No Parking" signs will be installed within Fairmont Avenue a few days ahead of the commencement of the construction. Work will be scheduled to occur during the hours of 7:00 a.m. and 4:00 p.m. Monday through Friday.

What to Expect:

During the construction period, parking on the north side of the street, between Concord Street and Faircourt Lane, will not be permitted. For the properties impacted by driveway apron reconstruction, temporary access to driveways will be provided. Use of the newly constructed driveways will be permitted only after the driveways are in place for twenty four hours. While removal of traffic lanes is to be expected, Fairmont Avenue and Faircourt Lane will remain open. There may however be intermittent closure of Faircourt Lane at the intersection of Fairmont Avenue, during work in the area.
