

November 17, 2008

Dear Resident, Business and Property Owner:

By this notification, the City of Glendale would like to inform you of the major construction activities that will be taking place over the next few weeks in connection with the Fairmont Avenue Extension project. These construction activities will have impacts on the traffic operations within San Fernando Road and Fairmont Avenue, and in turn on the nearby streets in the project area. Below is a listing of the upcoming major construction activities and their respective traffic impacts.

Bridge Columns to the West of the Railroad Tracks

Construction Period:

November 17, 2008 through November 28, 2008.

Construction Activity:

The contractor will conduct its bridge column construction activities in an area to the west of the railroad tracks. A total of five (5) columns will be constructed during the above period.

Traffic Impacts:

The work will be away from public streets. There will be no traffic impacts due to this construction activity.

Bridge Columns within Fairmont Avenue – East of San Fernando Road

Construction Period:

November 17, 2008 through December 19, 2008.

Construction Activity:

The contractor will conduct its bridge column construction activities in an area within Fairmont Avenue. A total of eight (8) columns will be constructed during the above period.

Traffic Impacts:

Fairmont Avenue, between San Fernando Road and the freeway ramps at Fairmont Avenue, will remain at two lanes – one lane in each direction.

Undergrounding of the Overhead Communication Lines within San Fernando road by Edison Company and Charter Communication

Construction Period:

November 17, 2008 through December 19, 2008.

Construction Activity:

Edison Company and Charter Communication will be removing their overhead communication lines located on the east side of San Fernando Road – between Milford Street and Fairmont Avenue. These communication lines will be placed in underground conduits on the east side of San Fernando Road.

Traffic Impacts:

One of the northbound lanes of San Fernando Road, between Milford Street and Fairmont Avenue, will be utilized for trenching operation. The northbound lanes on San Fernando Road will be reduced to one lane.

City Contacts:

The Public Works Department is mindful of the public inconveniences during the above construction activities, and will be monitoring the construction activities to address and minimize the related traffic impacts as much as possible. Traffic detours will be provided to maintain through traffic on major streets/arterials.

We would appreciate your comments and would like to take this opportunity to thank you in advance for your patience and understanding for the inconveniences during the construction period.

If you have any questions or concerns, please call Steven Lujan, Public Works Community Outreach Assistant at 818.548.3986 or email slujan@ci.glendale.ca.us.

Sincerely,

Stephen M. Zurn
Director of Public Works
